Questions for Reflection or Discussion

1. Jesus declared in Matthew 5:13, "You are the salt of the earth." What are some of the uses of salt (example: preservative) and how do those uses relate to our being the salt of the earth?
2. This week's message gave us a new formula for salt, "HP + CP + AL = NaCl Plus" translated: High Potency + Close Proximity + Awesome Love = People who have a high potential of reaching people for Christ (saltier salt).
3. HP (High Potency) has to do with character. Name some believers you know that have high potency? What characteristics do they have that give them that high potency? How do you think they developed those high potency characteristics?
4. CP (Close Proximity) means they get out of the Christian bubble and rub shoulders with those who aren't believers yet. In John 17:15 Jesus prayed, "My prayer is not that you take them out of the world but that you protect them from the evil one." What kind of balance should we have between time with other believers and time with non-believers? How does your life compare to the proper balance? What action steps are need to adjust that balance?

Next week we'll focus on AL (Awesome Love).
