Celebrating 50 years!
MBP will reopen in
September 2023

We Invite you to Join our Team!

Our church is a community church for the nations. We are a diverse group whose mission is to encourage people to belong to the body of Christ, enable members to thrive in His word, and equip them to go share their faith story. The preschool is a ministry loved by our members. Our demographic and ethnicity may be diverse, but our love for God and our belief that Jesus loves the little children unites us in supporting this ministry for 50 years.

MBP's wait list will be addressed with these priorities:

- 1) Children of families that are active members of MBC
- 2) - Children of public servants, especially military families
- 3) Our neighbors from the community

Educators in early childhood are usually underpaid. If employers invest in their educators' professional learning, they fear soon they will leave for a higher, paying job. Our church's motto is, "Belong, thrive, go." When our educators complete their professional goals, we pray God will use them whether in a public or private school, or homeschooling their own children. We want to be a center for developing Christian teachers to serve wherever God has called them. We think very highly of the profession that shares the same title Jesus was called, "**Teacher.**" MBP is not a daycare. It is a high-quality Christian preschool with educators who love children, who want to share their faith in action, while advancing their profession using their God-given gifts.

HELP US REACH OUR GOALS

In 2023, MBP plans to:

- * Become a subsidy vendor to make high-quality childcare affordable to the families who receive military or any other subsidy.
- * Offer a competitive wage and loving work environment following the Golden Rule: Treat our educators the way we would like to be treated.
- * Transform our playground into an outdoor classroom.
- * Use the surplus to maintain the facilities and grounds, allowing MBC to continue serving our community through its many ministries.
- * Make MBP the highest quality preschool in Manassas, filling all classrooms (3-yrs & 4-yrs).
